Food Thi Gujarati

SAMBHRAM COLLEGE OF HOTEL MANAGEMENT as a part of "Sambhram Group of Institutions".

We have been conducting the food festival since 2012 as a Bench Mark Event. Our success has been portrayed by our performance.

When we introduced the concept of food festival for the first time in K.G.F.

In Jan 2012,

it was a roaring success with the grand support of the intellectual crowd who were our patrons.

The theme this year is Gujarati Cuisine and constitutes a unique blend of original style and innovative culinary ideas of our "upcoming chefs".

We are looking for sponsors to help us to show in a better manner, so we expect your kind co-operation for the same.

On the publicity front we have ample space and facility for advertising your products and gaining business mileage.
