

**SAMBHRAM**  
COLLEGE OF HOTEL MANAGEMENT

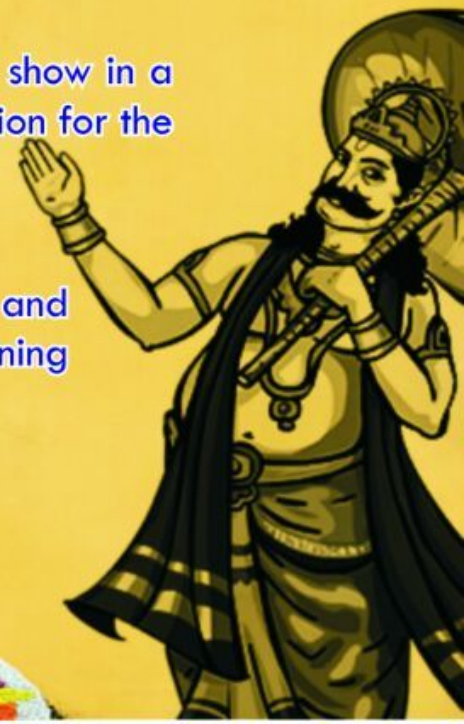

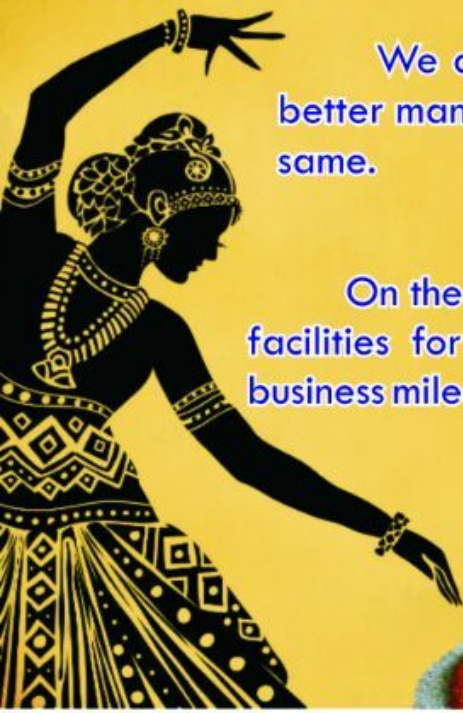

*Date : Feb 28th 2018 Time :12.00 noon to 3.00 pm*  
*Venue : Silvan Villa Resort*

As a part of 'Sambhram group of institutions'. We have been conducting the food festival since 2012 as a bench mark event. Our success has been portrayed by our performance. When we introduced the concept of food festival for the first time in KGF, in Jan 2012, it was roaring success with the grant support of the intellectual crowd who were our patrons.

The theme this year is **KERALA FUSION CUISINE** with a distinctive collection of traditional, delicious, and seasonal dishes from diverse sections of God's own country. Along with the authentic recipes from various parts of the world, constitutes a unique blend of original style and innovative culinary ideas of our upcoming chefs.

We are looking for sponsors to help us to show in a better manner, so we expect your kind cooperation for the same.

On the publicity front we have ample space and facilities for advertising your products and gaining business mileage.

**IT'S GOD'S  
— OWN —  
COUNTRY,  
AND THE FOOD  
IS DIVINE TOO...**

### INTRODUCTION

We are one of the leading College in Hotel Management, Affiliated to Bangalore University and Recognised by AICTE. We are also associated with PATA (Pacific Asia Travel Association) and Accredited by NAAC (National Assessment and Accreditation Council). With the boom in the Tourism and Service oriented industry, this course has broadened the horizons for students and enabled them not only to excel in star category hotels but also to create a niche for themselves. This reflects in the achievements of the students, which motivates us to run the college. We believe that true education involves development of both physical and mental abilities in moulding our students into good human beings.

### VISION

The future is embodied in the present generation Professional education combined with practical exposure to create values in the students who are the future of our nation.

### MISSION

Work oriented education combined with ethical values and character building in context of the new millennium.
